LEADERSHIP

- Facilitator and instructor for the team-building obstacle course in UNF's Outdoor Recreation program. Led diverse groups of children and adults, internal and external, through team building exercises.
- Designed and standardized more efficient production processes at Guildworks. Trained current in new employees in new SOPs. Led teams in production of multiple large scale \$50k+ budget projects. Received high praise from the business owner and Lead Architect for my leadership and dedication.

EXPERIENCE

JULY 2018 – MARCH 2019

FULL STACK DEVELOPER – INTERNSHIP, INNOVIAS

I designed and built web applications using React, Node, and MySQL to solve business problems for clients. This position required extensive communication working directly with non-technical clients to assess their needs and respond by describing solutions, challenges, and potential opportunities.

FEB 2013 – MARCH 2019

COLLEGE JOBS, VARIOUS EMPLOYERS

I worked full-time through college, first as a morning (4am – 12am) stocker at Whole Foods. I managed to get employment on campus as a Rock Wall Instructor and a Ropes Course Faciliator.

FEB 2010 – SEP 2013

PRODUCTION LEAD/INSTALLATION SPECIALIST, GUILDWORKS

Designed and led production process of stretch fabric sculptures for large events such as concerts, festivals, business conferences, w/ hard deadlines. Managed and trained 3 to 5 people. Organized international projects.
